Leave The Great House and turn left up the lane. You pass the sign 'Wellington Cottages' and come to a T-Junction **(1)**. Turn right onto a road and follow this road until a building on the right. Pass this building and at the junction behind it **(2)** turn right onto another road. Keep walking along this road until a main road.

Turn left onto the main road, follow this road for 50 yards (50m) and turn right onto a smaller road. Keep walking along this road until a junction of 4 roads with a signpost – Four Wents **(3)**. Turn right in the direction of Sandhurst and follow this road for 0.5 mile (800m) until you see a 'Public Bridleway' signpost on the left.

Follow the indicator and turn right onto a panel road (in the direction of Paul's farm) **(4)**. Go through this farm and in front of an entrance gate to a private property keep walking straight onto a small path **(5)**. Continue along the path between a fence and a field. You pass two posts and later the path joins a track from Ten Oak's Farm **(6)**. Follow this track for 50 yards (50m) until you meet a small road.

Turn right onto this road and follow this road up the hill. Carry on, pass several buildings, walk across the main road and go back to The Great House.
